STATINTL

Dear [REDACTED]

General Samford is sending an official letter of appreciation for the presentation which you gave to our Intelligence Staff Officer Course, but in addition I would like to express my personal thanks for the outstanding presentation which you gave to us. It certainly helped to get our new class off to a good start and we appreciate particularly the able manner in which you handled the many questions which were asked of you. It was a pleasure also to be at dinner with you and have an opportunity to chat about various problems and ideas which are of mutual concern to us.

We most certainly hope that you will be able to help us again with our next class starting early in September and we will contact you when our schedule is firmed up.

Thanking you again for your cooperation and assistance, I am

Sincerely yours,

*WC Strand*
